3. 1 adjustment to the agenda 14a Next meeting
4. Net repair will be done on May 15, 2017 at DOT 3 PM
5. Meet at Pickle Wrinkle at 6 AM on May 14, 2017 for Conservation Dig
6. Meet across from Young's Market at 6AM on May 28 for net project be thinking about where you would like to put them
7. We will stay across from Young's Market to meet the crew from DEI for our Lorrocco Project
8. Meet across from Young's Market on June 11th at 6 AM to for brushing project Upper Jones, Boathouse and mouth of Marsh Bay
9. We have an Army Corp Permit to put lobster traps for spat collection from Pt. Francis South, Deep Cove and West Bay, Ronnie said that he would put some out
10. Heidi Leighton reported on 2016 shellfish landings 75,689 lbs. which was down from 2015 which had landings of 91,000 lbs., she thought that we were doing a good job of matching license sales with resource—number of pounds some to fairly close
11. Discussed green crab traps---Several showed interest Mark Foutch, Joe, Alan B, Robert, David and Alan Belanger---they will be handed out on June 11
12. Couple of other possibilities for conservation time would June 25th and July 11th
13. Mike talked about what took place on the Birch Harbor dig that they took approximately 100 lbs. of clams and placed in upper Jones under nets, he checked them saw a few on top of the flats-planted them –nets looked good
14. Mike told us that the shellfish skiff was for sale and the asking price was \$4500.00 which includes boat, motor and trailer
 - A. Next Shellfish Meeting will be June 14th at Town Office

15. Motion to Adjourn made by Joe, 2nd David motion passed unanimously

Minutes Submitted by
